LOCAL RULES:

TIME LIMIT: Games consist of six full innings or a 1 hour and 30-minute time limit. No new inning will start after 1 hour and 15 minutes. In case of a tie game, the game ends in a tie.

MERCY RULE: Fifteen run rule in effect after 3 innings and ten-run rule in effect after 4 innings.

RUNS PER INNING: Five-run rule max per inning, including last inning.

BATTING ORDER: Continuous batting order must be used.

RUNNER: When a base runner is legitimately off base, i.e., moving off a base after a pitch or rounding a base after a hit or walk, the pitcher is obligated to allow sufficient time for the runner to return; however, once the pitcher has the ball within a radius of eight feet from the center of the pitcher's plate, the runner is obligated to move directly toward the next base or the base last touched without any motion or recognition by the pitcher. The runner may not stand motionless, or after returning to the base, may not move off that base even though the pitcher is standing off the pitcher's plate. Failure of the runner to respond as indicated shall cause the umpire to signal the runner out. The ball shall be declared dead. However, if the ball is not in the 8-foot circle or a fake throw is made, the runners are not governed by this note.

STEALING: Stealing bases is permitted, on release of the pitch.
