LETTER FROM DIRECTOR

As fall quickly approaches, we want to extend a heartfelt thanks to all who have supported the continued growth and development of Floyd County Parks and Recreation. This brochure will be the first of a new, bi-annual series intended to keep the community “in the loop” with information about current and upcoming programs, new offerings and projects FCPR is working on. From our inception as a department in 2019 to now in 2026, FCPR has grown slowly but surely. As a continued part of our evolution, we are excited to announce that FCPR will introduce a brand-new line of programing related to active adult/senior citizen needs, youth summer programs, and much more. We anticipate offering standard programs such as bingo, interactive classes and day trips as well as other specialized offerings as we grow the program. Along with active adult/senior programming, FCPR will continue to add to our inventory of youth summer camps and special event programming.

If you have suggestions for programming, feedback, questions or concerns, please reach out to us at recreation@floydcova.gov. Thank you for the honor of serving this community!
